CASE NO.: CV07-07357 AHM (PJWx)

**ANSWER OF DEFENDANT  
URS CORPORATION**

[Action Filed: November 8, 2007]

76

1 URS Corporation ("URS"), by counsel and pursuant to Fed. R. Civ. P.  
2 12(a)(1)(A)(i), answers the averments made in the Complaint filed by the Plaintiffs,  
3 Ronald Houston ("Houston") and Joseph Lomascolo ("Lomascolo"), as follows:

4 1. URS denies the legal characterizations contained in Paragraph 1 of the  
5 Complaint. URS has never had any connection, contractual or otherwise, with either  
6 Houston or Lomascolo, and it has no connection with the facts of this case. URS has  
7 been wrongly named as a party to this case, a fact that has already been pointed out to  
8 counsel for both Houston and Lomascolo. URS has already identified to the Plaintiffs  
9 the correct subsidiary that the Plaintiffs apparently intended to name, which is "URS  
10 Group, Inc." URS has offered the Plaintiffs the opportunity to substitute URS Group,  
11 Inc. for URS as the correct party, and to dismiss URS voluntarily. Despite knowing  
12 that URS is not a proper Party-Defendant to this case, the Plaintiffs have declined to  
13 drop URS as a Party-Defendant. The Complaint filed against URS by the Plaintiffs  
14 violates Fed. R. Civ. P. 11. There are no claims that either Plaintiff could make  
15 against URS that are warranted by existing law, or by a non-frivolous argument for  
16 extending, modifying, or reversing existing law, or for establishing new law. URS  
17 intends to prepare and file, at the appropriate point, a motion for the imposition of  
18 sanctions unless, within 21 days after service of this pleading, URS is not dropped as a  
19 Party-Defendant to this case.

20 2. URS lacks knowledge or information sufficient to form a belief about the  
21 truth of the averments made in Paragraph 2 of the Complaint.

22 3. URS denies the factual averments made in Paragraph 3 of the Complaint.

23 4. The contentions made in Paragraph 4 of the Complaint consist of legal  
24 arguments, and they do not require a response under the Federal Rules of Civil  
25 Procedure.

26 5. The contentions made in Paragraph 5 of the Complaint consist of legal  
27 arguments, and they do not require a response under the Federal Rules of Civil  
28 Procedure.

1           6.     URS denies the averments made in Paragraph 6 of the Complaint, and  
2 states that URS appears to have been joined by the Plaintiffs in an attempt to make a  
3 facially plausible argument that venue was appropriately laid in this District, when, in  
4 fact, venue in this District is clearly improper.

5           7.     URS lacks knowledge or information sufficient to form a belief about the  
6 truth of the averments made in Paragraph 7 of the Complaint, but URS states that it  
7 has never had any contractual or other relation with Houston, and had never heard of  
8 him prior to being improperly joined as a Party-Defendant to this case, in violation of  
9 the requirements of Fed. R. Civ. P. 11(b).

10          8.     URS lacks knowledge or information sufficient to form a belief about the  
11 truth of the averments made in Paragraph 8 of the Complaint, but states that it has  
12 never had any contractual or other relation with Lomascolo, and had never heard of  
13 him prior to being improperly joined as a Party-Defendant to this case, in violation of  
14 the requirements of Fed. R. Civ. P. 11(b).

15          9.     In response to the factual averments made in Paragraph 9, URS admits  
16 that it is a Delaware corporation, with its principal place of business located at 600  
17 Montgomery Street, San Francisco, California 94111. In response to the factual  
18 averments made in the second sentence of this paragraph, URS admits that it transacts  
19 business throughout the United States, and in California, including the Central District  
20 of California. URS denies the factual averments made in the third sentence.

21          10.    In response to the factual averments made in Paragraph 10 of the  
22 Complaint, URS admits that Dewberry & Davis, LLC ("D&D") is a Virginia limited  
23 liability company, not a Virginia corporation, as averred, and that its principal place of  
24 business is located in Fairfax, Virginia. URS lacks knowledge or information  
25 sufficient to form a belief about the truth of the incomplete averments contained in the  
26 second and third sentences of Paragraph 10.

27          11.    URS denies the factual averments made in the first sentence of Paragraph  
28 11 of the Complaint, but acknowledges, as previously disclosed to the counsel for

1 Houston, that one of its subsidiaries, URS Group, Inc., is involved in a partnership  
2 with D&D, and that this partnership is formed under the Virginia Uniform Partnership  
3 Act, and is known as Partnership for Response and Recovery ("PaRR"). URS  
4 believes that PaRR has a contract with FEMA. URS lacks knowledge or information  
5 sufficient to form a belief about the truth of the remaining incomplete factual  
6 allegations made in Paragraph 11.

7 12. URS lacks knowledge or information sufficient to form a belief about the  
8 truth of the factual averments made in Paragraph 12 of the Complaint.

9 13. URS lacks knowledge or information sufficient to form a belief about the  
10 truth of the factual averments made in Paragraph 13 of the Complaint.

11 14. URS lacks knowledge or information sufficient to form a belief about the  
12 truth of the averments made in Paragraph 14 of the Complaint.

13 15. URS denies the factual averments made in Paragraph 15 of the  
14 Complaint.

15 16. URS lacks knowledge or information sufficient to form a belief about the  
16 truth of the factual averments made in Paragraph 16 of the Complaint.

17 17. The averments made in Paragraph 17 of the Complaint appear to be  
18 incomplete, but, to the extent that URS understands them, URS states that those  
19 averments consist of legal conclusions to which no response is required under the  
20 Federal Rules of Civil Procedure.

21 18. The averments made in Paragraph 18 of the Complaint appear to be  
22 incomplete, but, to the extent that URS understands them, URS states that those  
23 averments consist of legal conclusions to which no response is required under the  
24 Federal Rules of Civil Procedure.

25 19. URS denies the factual averments made in Paragraph 19 of the  
26 Complaint.

27 20. URS lacks knowledge or information sufficient to form a belief about the  
28 truth of the averments made in Paragraph 20 of the Complaint.

3           92.    URS lacks knowledge or information sufficient to form a belief about the

5           93.    URS lacks knowledge or information sufficient to form a belief about the

7           94.    URS lacks knowledge or information sufficient to form a belief about the

9           95.    URS lacks knowledge or information sufficient to form a belief about the

11          96.    URS lacks knowledge or information sufficient to form a belief about the  
12 truth of the averments made in Paragraph 96 of the Complaint.

13                                   **Fourth Cause of Action**

14          97.    In response to the averments made in Paragraph 87 of the Complaint,  
15 URS incorporates each of the answers contained in Paragraphs 1-96 above.

16          98.    URS lacks knowledge or information sufficient to form a belief about the

18          99.    URS lacks knowledge or information sufficient to form a belief about the

20          100.   URS denies any remaining averment of fact that is contained in the  
21 Complaint, that has not been expressly admitted in Paragraphs 1-99 above.

22                                   **AFFIRMATIVE DEFENSES**

23                                   **First Affirmative Defense**

24          URS has been improperly named as a Party-Defendant to this case, and this  
25 fact had already been pointed out to counsel for the Plaintiffs before URS was obliged  
26 to file this Answer. Counsel for the Plaintiffs have been offered the opportunity to  
27 substitute the proper party, URS Group, Inc., for URS, but they have frivolously  
28 refused to dismiss URS from this case voluntarily. The frivolous factual averments

1 made against URS were made even though counsel for the Plaintiffs knew, or should  
2 have known, that URS has no connection whatsoever with the facts of this case, and  
3 that the averments made against it appear to have been made in violation of the  
4 requirements of Fed. R. Civ. P. 11(b), apparently for the improper purpose of trying to  
5 create some plausible basis for laying venue in this District.

6 **Second Affirmative Defense**

7 This Court lacks *in personam* jurisdiction over URS.

8 **Third Affirmative Defense**

9 The Complaint fails to state a claim upon which relief can be granted against  
10 URS.

11 **Fourth Affirmative Defense**

12 Venue is not proper in this District for the reasons stated in the Motion to  
13 Dismiss for Improper Venue, or, in the Alternative, to Transfer Venue to the  
14 Alexandria Division of the United States District Court for the Eastern District of  
15 Virginia, filed by the Defendants D&D and PaRR.

16 **Fifth Affirmative Defense**

17 Some or all of Houston's claims appeared to be barred by the statute of  
18 limitations.

19 URS reserves the right to bring additional affirmative defenses.

20 WHEREFORE, URS prays that:

- 21 (a) Plaintiffs takes nothing by their Complaint;  
22 (b) URS requests this Court to dismiss it with prejudice as a Party-Defendant  
23 to this case;  
24 (c) URS be awarded all legally recoverable costs, fees and expenses it has  
25 been forced to incur as a result of being improperly and frivolously  
26 joined as a Party-Defendant by counsel for the Plaintiffs, including, but  
27 not limited to, all sanctions properly assessable under Fed. R. Civ. P.  
28 11(c); and

(d) URS be awarded other and further relief as the Court may deem proper.
